Role: JavaScript and local storage management
Tools: HTML5, CSS3, JavaScript ES6+, Bulma

Experience

Math Teacher/Interventionist   **2021 – 2023**
Gateway College Preparatory School   **Georgetown, TX**
Designed and implemented math curriculum for 8th-grade math and students grades 6-9 needing remediation
Key Accomplishments:
- *Progressed more than 140 students with high academic needs through 30+ hours of remedial math instruction*

- Prepared students in multiple grade levels to pass the state-standardized STAAR and End of Course exams
- Received consistently affirmative feedback from students, parents, and administrators regarding teaching effectiveness and student progress

Math/Science Teacher   **2016 – 2021**
Memphis Rise Academy   **Memphis, TN**
Created, revised, and executed 7th-grade science and Pre-Algebra and Algebra curriculum
Key Accomplishments:
- Collaborated with colleagues to pioneer the 8th-grade Algebra and Pre-Algebra curriculum and class structure
- Provided students with high-academic needs with more than 150 hours of remedial math intervention
- Demonstrated adaptability and flexibility in adjusting teaching strategies to accommodate learners with different learning styles
- Successfully learned and utilized new technology tools and educational software to enhance instructional delivery and student engagement in a remote learning environment

Community Involvement

Media Team Leader   **2021-2023**

Vive Church   **Austin, TX**

Prepared, developed, and facilitated high-quality ProPresenter presentations for weekly church services

Lead and trained a team of 2 in the planning and organizing of media projects and events
